Get in-depth training and practice with the skills measured by the core exams for Microsoft Certified IT Professional (MCITP): Windows Server 2008 Server Administrator certification—all in one box! Covering exams 70-640, 70-642, and 70-646, these three training kits include exam prep and practice tests to help you maximize your performance. You get official Microsoft® study guides, plus practice tests on CD to help you assess your skills. They come packed with the tools and features that exam candidates want most—including in-depth, self-paced training based on final exam content; rigorous, objective-by-objective review; exam tips from expert, exam-certified authors; and customizable testing options. They also provide case scenarios and exercises for skills and expertise that you can apply to the job.

Focusing on administering Windows Server 2008, these official study guides cover topics such as configuring, managing, and supporting user and computer accounts, groups, Domain Name System (DNS) zones, client settings, and group policy objects; the new Active Directory® Lightweight Directory Services and Active Directory Rights Management Service; configuring remote access, Network Access Protection (NAP), network authentication, IPv4 and IPv6 addressing, and DNS replication; creating virtual machines; installing server core; planning server roles; maintaining server security; planning data storage, network load balancing, and server backups; managing software deployment and versioning; and scheduling server deployments.

Work at your own pace through the lessons and hands-on exercises. Then assess yourself by using more than 900 practice and review questions on the CD, featuring multiple, customizable testing options to meet your specific needs. Choose timed or untimed testing mode, generate random tests, or focus on discrete objectives or chapters. You get detailed explanations for right and wrong answers—including pointers back to the book for further study. You also get a 120-day evaluation version of Windows Server 2008 and discount vouchers for all three exams—making this kit an exceptional value and a great career investment.
