They're also up against the area's terrifying terrain, which shifts and morphs at a moment's notice. With their options dwindling in this mazelike region that doesn't obey the laws of physics, the team joins forces with a beautiful and deadly woman who evens the odds on the battlefield. But while this warrior seems to be on their side, she has a secret agenda that could spell the end for them all.Â THE AMERICAN NIGHTMAREÂ Since the nukocaust, the American dream has been reduced to a daily fight for survival. In the hellish landscape of Deathlands, few dare to dream of a better tomorrow. But Ryan Cawdor and his companions press on, driven by the need for a future less treacherous than the present.
